

"Devil's In Your Kiss" -Capo 2

(Verse 1)

[Em] [G] [Asus}
Late-night visions, burning like a flame,
[Em] [G] [Asus]
whiskey on your lips when you call my name.
[Em] [G] [Asus}
Your hands like fire, pulling me too near,
[Em] [G] [Asus}
I know the cost, but still, I'm here.

(Chorus 1)

[Asus] [B] [Em]
Oh, the devil's in your kiss,
[Asus] [B] [Em]
Draws me down, I can't resist.
[Asus] [B] [Em]
I should stop, but not like this,
[C] [B]
the devil's in your kiss.

(Verse 2)

[Em] [G] [Asus}
You move like shadow, eyes that steal my
breath,
[Em] [G] [Asus}
A smile so sweet, it could promise death.
[Em] [G] [Asus}
Your touch is poison, smooth as cherry wine,

[Em] [G] [Asus}
I swore I'd fight, but now you're mine.

(Chorus 2)

[Asus] [B] [Em]
Oh, the devil's in your kiss,
[Asus] [B] [Em]
Burns so slow, a deadly bliss.
[Asus] [B] [Em]
Take me under, past the abyss,
[Asus] [B] [Em]
Mmm, the devil's in your kiss.

Verse 3-Breakdown

[Em] [G] [Asus}
Midnight whispers, tangled in your bed,
[Em] [G] [Asus}
A sinner's lullaby plays in my head.
[Em] [G] [Asus}
I swore I'd leave, but here I stay,
[Em] [G] [Asus}
Losing myself with no escape.

(Final Double Chorus)

[Asus] [B] [Em]
Oh, the devil's in your kiss,
[Asus] [B] [Em]
A burning fate I can't dismiss,
[Asus] [B] [Em]
Drown me deep in reckless bliss,

[Asus] [B] [Em]
No way back from nights like this.

[Asus] [B] [Em]

Oh, the devil's in your kiss,

[Asus] [B] [Em]

Lost so far, I won't resist,

[Asus] [B] [Em]

Pull me close, take all I miss,

[C] hold [B] hold

Oh the Devil's in your kiss

[Asus] [B] [Em6] hold
