

Muddy Mary- Colin Alvarez

Verse1:

[Dm] [Bb] [C]

The sun is setting low

[Dm] [Bb] [C]

You see it sinking now

[G] [A] [Dm]

Tell me where can we go when it's dark?

[Dm] [Bb] [C]

There's nothing more to say

[Dm] [Bb] [C]

To make it go away

[G] [A] [Dm]

I'll be here until til you fall asleep

Chorus:

[Bb] [A]

This won't be my final word

[Dm] [C]

We're nowhere the end of this

[G] [A] [Dm]

We've got so far to go

Verse 2:

[Dm] [Bb] [C]

Tell me why you hurt

[Dm] [Bb] [C]

Tell me who's to blame

[G] [A] [Dm]

If you let me I can make it go away

[Dm] [Bb] [C]

Is it any better now?

[Dm] [Bb] [C]

Are the demons kept at bay?

[G] [A] [Dm]

I promise you there's nothing left to fear

Chorus

[Dm] [Bb] [C]

Is it any better now

[Dm] [Bb] [C]

Are the demons kept at bay

[G] [A] [Dm]

I promise you there's nothing left to fear

Chorus

F jam out (Kashmir the fuck out of it)
